

Aerial view of GYC docks

Boating Services

- Boat slips, assigned seasonally by the Dockmaster subject to availability, boat size and the club's bylaws.
- A launch ramp is available for member use
- Glastonbury Yacht Club has a maximum of 34 slips. One slip per family membership.
- The maximum overall length of a boat is limited to 35 feet.
- 220 and/or 120 volt power are available from several stations along the length of the dock
- Water is available along the length of the dock
- Platform at end of dock is available for fishing, sunbathing and "sitting" to enjoy the Connecticut River scene
- Mooring locations or ramp privileges are available as alternatives to a boat slip
- Winter storage of boats is available

The Glastonbury Yacht Club is incorporated as a non-stock company. The company is owned by its members. The ownership details are contained in the Connecticut State incorporation papers and the club's by-laws. Each Glastonbury Yacht Club member posts a "bond" that provides working capital for the club. The "bond" is refunded in accordance with the club's bylaws when the member resigns.

The club has a schedule of fees for membership, seasonal boat slip, power, storage, mooring location and launch privileges. The schedule of fees is approved annually by the club members.

Club-wide Social Activities

Club social activities are scheduled from June through October. Invitations from area yacht clubs occur throughout the year.

Traditional Glastonbury Yacht Club social events:

- June-
Potluck & C.G. Aux Safety Check
Clambake--Lobster, steak & corn
- July-
4th of July cruise
Barbeque
- August-
Luau by the River
- September-
Oktoberfest
- October
Fireworks from Rocky Hill Fall Fest

The Glastonbury Yacht Club is a “working club”. Each member is expected to participate in the tasks of maintaining the docks, buildings and grounds and is encouraged to participate in the social activities of the club.

All members participate in the “Docks in” and “Docks out” effort at the beginning and end of boating season.

Each member participates on one or more maintenance or social activity committees.
