

MEMBERSHIP COMMITTEE

This committee shall be responsible for the complete and orderly processing of new member applications.

These duties will include the following and any other steps required:

- (1) Receive and date new member applications – this determines seniority for consideration and/or placement on waiting list.
- (2) Review application for completeness.
- (3) Determine next applicant to be considered based on by-laws.
- (4) Interview the prospective member family (preferably at their home) to:
 - I. Make sure that prospective member understands the operation of the club and that it is a working club. Answer any questions.
 - II. Try to verify that the prospective member and family is a good fit for the Club.
- (5) Submit the application with recommendations for acceptance or rejection to all eligible active members.
